Pursuant to the fund's current prospectus, it is my intention to invest (in one or more mutual fund or Section 529 accounts) over a 13-month period.

The aggregate amount will be at least:

\$50,000 \$100,000 \$250,000 \$500,000 \$1,000,000

A LOI combines all purchases of any share class of any American Century Investments fund you intend to make over a 13-month period to determine the applicable sales charge, except for purchases in the A or C Class of money market funds. At your request, existing holdings may be combined with new purchases and sales charge amounts may be adjusted for purchases made within 90 days prior to our receipt of the LOI. Capital appreciation, capital gains and reinvested dividends earned during the LOI period do not apply toward its completion. A portion of your account will be held in escrow to cover additional A Class sales charges that will be due if your total investments over the 13-month period do not qualify for the applicable sales charge reduction.

Check here if you have made purchases in the past 90 days that should be included.
